- 1) **No smoking.** Members are asked to not smoke on or around the buses.
- 2) **Class Times:** **Odd numbered** classes start at 10:15 and **even numbered** classes start at 13:15 for the first 4 wks. For last 3 wks. this will switch. Please be at class line up a few minutes early so you don't miss your instructor. **(There have been changes to some classes. You need to check the class list that is passed around the bus for any changes from last week)**
- 3) **Meeting place for classes:** **Near the quad chairlift located at the base of Cindy's Slip**
- 4) **Bus Accessibility:** Please remember that the buses are only open between **12:15 – 12:45 pm** for lunch and open again at **3:30 pm** at the end of the day.
- 5) **Lift Tickets:** Make sure the ticket is on securely so that it won't get lost. Attach it to something that you'll be wearing all day and don't put it on top of another ticket, as it won't stick properly in the cold.
- 6) **Buddy System:** When free skiing, ski with members of the ski school. If you don't have a buddy, see your bus supervisor who will try to help you find a buddy. You may also see Diana in the parking lot or go to the class line up area just prior to lesson times. (10:10 and 13:10)
- 7) If you have any problems or require assistance during the day ask a ski hill **Customer Service** representative or the **Ski Patrol** to page someone from **Ski Rod Roy**. Do not ski or ride alone.
- 8) **Inform Your Bus Supervisor:** If you don't plan on coming back on the bus for any reason, please be sure to bring a note from your parents and notify your bus supervisor. This is important for insurance and legal reasons.
- 9) **Bus Departure:** Know your bus number. The buses leave at 16:00 sharp so please plan to stop skiing by 15:40 at the latest. Make sure to put your skis in the same compartment on the same bus that you loaded them on in the morning.
- 10) **Video Policy:** Only videos rated "General", "PG", and "PG-13" are allowed to be shown on the buses. When you bring your own video, make sure it complies with these guidelines.
- 11) Next week we are scheduled for Mont Orford. Don't forget to **check the web site each week** on Friday evening after 7:00 pm to confirm the Saturday.
- 12) **Enjoy your ski & board day! Play safely!**
